Dear sheepbreeders & valued clients.

We sincerely thank all those who supported us in 2014. We take this opportunity to now invite you to our 42nd annual on property ram sale.

Friday 7th August 2015 at 11am

Inspection from 8:30am

180 Quality Poll Merino Rams

(Watch for signs to turn from the main
Karoonda/Loxton road at Sandalwood)

Our 2015 auction rams have the longest and heaviest carcasses that we have produced. Length and functional neck extension and well filled hind quarters have always been very high in our selection priorities. They also have the usual lustrous and crimping Kamora Park wools. Many of the rams in this group weigh 110 to 120 kilos at just 14 months of age. These attributes are evidence of the success of policies implemented during our fifty two years of Poll Merino breeding.

To take the guesswork out of selection, we have been body weighing, eye muscle scanning and fat scoring when the rams are 10 ½ months old, as well as individual fleece weighing at 6 months wool growth for many years. Rather than relying solely on visual assessment, we strongly encourage you to utilise their figures when making your ram selections.

We look forward to seeing you and having a chat at the 2015 field days and shows.

Also you can find us on Facebook  or keep informed with our latest updates on our website:

www.kamorapark.com.au

Kind regards

Colin, Julie, Wade & Katelyn Boughen
